Spooky Disco

A new committee was formed in september and we started the year with a spooky disco at the village hall on 27th October , a great turnout with many hotdogs and sweets eaten, it was lovely to see children from the surrounding areas join us.

Lots of dancing and games with DJ Karl, with ghosts and strange noises that gave many frights, with the tombola proving to be great hit.

We transformed the hall, as you can see and not only did we have lots of fun but we managed to a raise £388.

Bags2school

Bag2school were collected in Nov 18 & May 19, we raised £550 from the two collections. Thank you to **EVERYONE** for your contributions. Next collection is November 2019. If you would like to donate before this date, please let Fiona know and she will organize storage for them.

Peaky Blinders

What an amazing night!
Peaky Blinders on 2nd of March did St Andrew's School proud, we raised a massive amount which bought the school a new stage.

Many people bought raffle tickets and gave auction donations, thanks to all the mums that cooked, prepared and decorated. A massive thank you to everyone helped on the night and attended this fantastic event. Harriet kept us entertained throughout the evening. Well done all 🙌🙌🙌
